

Top Ten Poster

Working with a partner, you will make a poster about the top ten most significant_____ from SS11. The categories are:

People

Social Changes

Economic Changes/Developments

Political Changes

Technological Developments

Think about what things were most significant and why. For each choice, you need to give a brief explanation of what it is and why it is significant. **Five or six sentences** should be enough for each topic. You also need to draw or attach a **picture** for each topic.

The order you list your choices in does not matter.

You will each get a sheet of A3 paper for your poster. If you prefer to do it on the computer you will need to print it out yourself. Make it look nice, as I am going to put the posters up in the classroom.

Your poster will be due at the end of class on Wednesday.
